Arabic

About Me

Pursuing 3rd year B.E. in Computer Science and Engineering with a keen interest in full-stack web development. Actively learning to build responsive websites and eager to gain hands-on experience through projects, internships, and collaborative learning.

CERTIFICATES

- Introduction to Node.js (LFW111) – The Linux Foundation (Sep 2024)
- Angular – Infosys Springboard (Oct 2024)
- TCS iON Career Edge – Young Professional (Jul 2025)
- Certificate of Participation – Yugam 2024 (Mar 2024)

PROJECTS

- Expense Tracker Web App – Built a web app using MERN stack to track daily expenses, with features to add, edit, and delete transactions.
- Contact Manager Application – Created a contact manager using Node.js, Express, MongoDB, and React for storing and managing contacts.

ACHIEVEMENTS

- Earned 2 skill badges on HackerRank (problem-solving and technical skills).
- Solved 52 problems on LeetCode, improving coding and algorithmic thinking.
